APPLY ONLINE TODAY!

<https://htrs.smapply.org/prog/2024search>

Application Deadline: June 30, 2024

WHO SHOULD ATTEND?

Undergraduate students, graduate students, medical students, doctoral students, and pharmacy students interested in a fulfilling medical and/or scientific career.

This workshop is presented by HTRS

The Hemostasis and Thrombosis Research Society (HTRS) is dedicated to encouraging undergraduate, medical, pre-doctoral, and postdoctoral trainees to pursue careers in benign hematology, especially students from traditionally underrepresented racial or ethnic groups, disadvantaged backgrounds, or areas of the U.S. with acknowledged shortages of medical and research professionals.
